December 15, 1998, QUARTERLY REPORT

REGARDING

Order No. 94-11
Former Lockheed Propulsion Company
Solid Propellant Rocket Motor Production Facility
Crafton/Redlands Area
San Bernardino County

Pursuant to Order No. 94-11, item 4, Lockheed Martin Corporation hereby submits this quarterly report to the Regional Water Quality Control Board, Santa Ana Region.

Technical Data Generated

Municipal and agricultural wells around the former Lockheed Propulsion Company (Site) were sampled as part of the 1998 comprehensive sampling program that ended in September. Results from this sampling were submitted to the Regional Board under separate cover on November 20, 1998. The submittal was entitled, "1998 Data Report, Comprehensive Sampling Program, Crafton-Redlands Plume Project".

Progress Made

A meeting with Regional Board staff is scheduled January 8, 1998. Remaining activity at the Site will be discussed.

Problems Encountered

No significant problems were encountered during this reporting period.
